

# Road2Work

**A programme providing an introduction to employment opportunities in the highways and water industries**

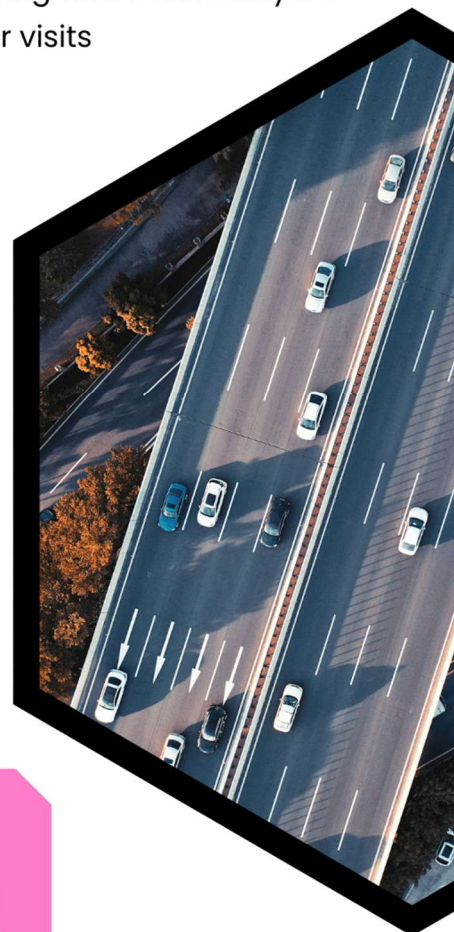

## **What's involved:**

- Learn about essential skills for a variety of groundworks, highways, construction and water roles
- Practical employability support – help with CV, job applications and interviews
- Find out what qualifications and training are essential or desirable and available
- Find out which employers are hiring and which may be open to informal introductions or visits

**Groundworks  
Highways  
Construction  
Water**

## **Eligibility:**

- Age 19+
- Currently unemployed
- An East Sussex resident with the right to live and work in the UK
- Interested in working in highways or water industries.

## **Contact:**
